January 5, 2012

Dear families,

Thanks so very much for a great 2011 and a special thank you for making my Christmas a little brighter by remembering me with your generous gift. Your support of the staff and school are greatly appreciated all the year through. Please continue to keep SJS in your prayers and remember to contact us with your special prayer requests. The children respond so well to the needs of our community during our morning prayer and we want to make sure we include everyone, especially in a time of need.

May God bless your family with a healthy and happy 2012!
